*******PRESS RELEASE*******

This is a reminder that the Lawrence County Treasurer's office will not be accepting any personal checks at the counter or postmarked on or after December 15, 2016 for the current 2016 county taxes. The reason the Treasurer's office is implementing this policy is the timeframe for checks to clear has to coincide with closing out business December 31, 2016. Going forward for the 2017 tax year we will accept personal checks. The Treasurer's office will accept cash, money order, cashier's check or credit card (Visa, MasterCard or Discover accepted). In an effort to save the County costs associated with credit card tax payments, a third party convenience fee for all credit card transactions will be applied at 2.45%. Any property taxes not paid by December 31, 2016 will be filed with the Tax Claim Bureau and the property owner will incur additional costs. Any questions should be directed to 724-656-2124.

Sincerely,

Richard L. Rapone
Lawrence County Treasurer
