*******PRESS RELEASE*******

The Lawrence County Treasurer's office along with the Lawrence County Assessment office is kindly informing that August Interim tax bills will be mailed out to homeowners. A change of Assessment notice was mailed from the Assessment office to homeowners notifying them of any change in assessment to their property. Please note that these bills will be orange in color to reflect this year's millage of 6.999 and sent to homeowners that had improvements done to their property January through July 2016 that changed the assessment value. Improvements can be identified as but not limited to; additions to your existing home, a new outbuilding such as garage or barn or changes in your land size. If these changes increased your assessment by more than \$2,500, an interim bill will be sent based off the difference in assessment. This bill is in addition to the county tax bill already received for that tax year. It does not replace the bill already mailed.

Any questions, please call the office at 724-656-2124.

Sincerely,

Richard L. Rapone
Lawrence County Treasurer
